## Coaches' Information

**Thank you to our Bulldog coaches and students for being a part of SJB sports.** Thanks to several volunteers who stepped up, we were able to create five total teams. These teams include a 7/8th grade volleyball team, 5/6th volleyball team, 5th-grade flag football, 6th-grade flag football, and 7/8th flag football. We also have our cross **country club which will hold its first practice on Thursday, September 14th.** Their season will be highlighted by participating in the Diocesan-wide cross country invitational on **November 17th.**

**Come out and support our teams!** The September schedule will be included in the newsletter. **Every home game will have a 4pm start, but come a few minutes early to grab a refreshment at the snack shack.**
