There are a few ways to earn Scrip with the RaiseRight App

- 1) **Purchase E-giftcards** through the RaiseRight app. When purchasing *electronic* gift cards, they are available to use within minutes!
 - a. **Shop for E-cards** to your favorite stores and restaurants & purchase using your linked bank account or credit card
 - b. Go to **Wallet** on the RaiseRight app to choose the E-card that you purchased
 - c. Choose **Use Card** that has an icon of a barcode in the upper right corner
 - d. Show the barcode to the store clerk for them to scan
- 2.) **Purchase “Ship to Home Eligible”** Physical Cards
 - a. Shop for Physical cards that state “Ship to home eligible”
 - b. Choose the **Yes, Send to Me** option at checkout
 - c. Confirm your shipping address
 - d. Not all physical cards are ship to home eligible, please double check details before placing order
- 2) **ReloadNow** – after you register certain Scrip cards, you can **reload** using the RaiseRight app
 - a. You must purchase a new scrip card from SJB to insure it is a card that is from Great Lakes scrip
 - b. Not all physical cards purchased in office can be reloaded, but many can. Some of the most popular cards that are reloadable are *Safeway, Starbucks and Panera*.

- c. Register the card on the *RaiseRight* app by clicking on **Wallet**, choosing **Add Card** in the upper right corner, then entering the card information. (if a particular card is not recognized by the app when entered, that means it is not reloadable)
- d. Registered cards will then be viewable from the Wallet on the RaiseRight app, where you can repeatedly add money to it
- e. **Be sure to hang on to your physical card(s) that you are reloading, as that is what you will need to use to pay at the store or restaurant.*
- f. There is a maximum amount that can be reloaded and that the card will hold- entire reload will bounce if you are over either amount
- g. Cards with a -0- balance for 60 days are void and cannot be used/reloaded
- h. Funds are available within minutes

Failed Payments (Insufficient Funds, Account Closed, etc.)

- 1) There is a \$30 fee from RaiseRight that will be passed on to the school family
- 2) Online payment will be deactivated for the family
- 3) Cash payment is required immediately on any failed payments

Note Regarding Physical Card Orders

Any physical cards ordered that are *sent to the coordinator* upon checkout will not be delivered to the school until the school places a bulk order; which could mean long wait times to receive your cards. This can be avoided by purchasing **E-Cards** and **'Ship to Home Eligible'** Physical Cards whenever possible.

Future bulk order dates will be published in the Bulldog Bite, if you wish to purchase physical cards that are not 'ship to home' eligible.

Please email the Scrip coordinator with any questions: sjbosco@sjbosco.org
